## **Nanogenerators as new energy technology and piezotronics for functional systems**

**Prof. Zhong Lin Wang**

School of Materials Science and Engineering, Georgia Institute of  
Technology, Atlanta USA

Beijing Institute of Nanoenergy and Nanosystems, Chinese  
Academy of Sciences, Beijing, China

Dr. Zhong Lin (ZL) Wang received his PhD from Arizona State University in 1987. He now is the Hightower Chair in Materials Science and Engineering, Regents' Professor, College of Engineering Distinguished
