

北京大学量子材料科学中心

International Center for Quantum Materials, PKU

Seminar

Daniel BRAAK EP VI and Center for Electronic Correlations and Magnetism, University of Augsburg

Time: 4:00pm, April 6, 2017 (Thursday) : 2017 4 6 16:00 Venue: Room W563, Physics Building, Peking University 563

Abstract

About the Speaker 1991-1995 1995 1995-1996 1996-1998 1998-2004 2010 2010-present

Dr. Daniel BRAAK has ever published one paper in PRL in 2011 for the analytically exact solution to the quantum Rabi model and its integrability. This is really a breakthrough work , and got more than 200 citations to date.
